Dear Chief, Management and Organization Division:

This is Supplement #2 to that certain Request for Correction, filed as above noted, by me on March 16, 2007. Except as expressly supplemented herein, all assertions set forth in said RFC and in said Supplement #1 thereto remain in full force and effect.

I supplement my RFC as follows:

Attached hereto and made a part hereof as Exhibit A is that certain witness statement of eyewitness EMT Patricia Ondrovic. In addition to the statement as attached, I hereby incorporate by reference all redacted portions of said witness statement, Exhibit A hereof, as and for additional confirmation of my overall assertion that directed energy weapons were a causal factor in the destruction of the World Trade Center complex on 9/11/01. I also attach hereto Exhibit B, the statement of eyewitness Firefighter Fernando Camacho. I also attach hereto Exhibit C, additional witness statements, all as more fully set forth in said Exhibit C.

Moreover, in addition to the witness statements annexed hereto as Exhibits A, B and listed in Exhibit C, attention is directed to the following additional witness statements, some of which are also inexplicably redacted, as is that of Patricia Ondrovic, that should be deemed, as indicated, incorporated by reference into this Supplement #2, in their entirety, including the versions that are not redacted:
